There may be times when circumstances beyond Travel MedEvac's Assistance Provider's control hinder their endeavors to provide travel assistance services. They will, however, make all reasonable efforts to provide travel assistance services and help you resolve your emergency situation.

Assistance Services Are Provided Through

Travel MedEvac and Its Assistance Provider

ASSISTANCE SERVICES

Please call us and you will be connected with our Assistance Provider, available 365 days a year, 24 hours a day. Our Assistance Provider will work with you along with the attending Physician(s) and medical facility personnel. If it is determined a medical evacuation may be needed for an eligible person on the Plan, whether the evacuation is to be carried out via a commercial aircraft or a private, medically equipped aircraft, a Medical Assessment, including Medical Records and other information regarding your health condition will be needed in advance of any transport being approved. Eligibility per the terms of the Plan must also be confirmed prior to a medical evacuation being approved and arranged.

MEDICAL EVACUATION ARRANGEMENTS

Your enrollment in the Plan provides you access to medically warranted evacuation transportation arranged by Travel MedEvac's Assistance Provider and their Medical Evacuation Provider(s).

Promptly notify Travel MedEvac's Assistance Provider, or have your representative promptly notify us, for request of medical evacuation transportation if you believe it may be needed, specifying the nature of the injury or illness. Due to the nature of the services, a reasonable period of time is required to properly initiate a medical evacuation transportation, and you agree that diligence is necessary to properly accommodate a medical emergency. You agree to provide notice of request at the earliest possible time, so we can secure a comprehensive medical assessment and to allow proper time to determine eligibility and prepare the medical evacuation transportation. Failure to contact us for the medical evacuation transportation in a timely manner may result in a delay of services.

To facilitate providing the services, you hereby authorize us, Assistance Provider and any Medical Evacuation Providers utilized to disclose or discuss your medical information with any physician, hospital, medical attendant, or others regarding your physical condition including but not limited to medical records and diagnostic images and test results. This authorization shall remain valid until such time as you or your authorized representative revoke it in writing.

You also authorize us, the Assistance Provider and their network of air ambulance providers and any medical personnel or medical facility involved in the medical transport process to review your medical records, diagnostic images, and test results. The sending physician, receiving physician (where applicable), and the Assistance Provider's Medical Personnel must agree that the Plan Holder meets the criteria for a medical evacuation and that the Plan Holder is medically stable for an approved transport. The medical evacuation transportation will not be provided until such time as we have obtained a completed medical assessment, the transport meets other applicable terms and (where applicable) there is confirmed admission to the receiving medical facility. Admission to the receiving hospital typically requires medical and financial acceptance. Repatriation from outside one's home country requires proper documentation, such as a passport, visa, etc. to clear customs and is the responsibility of the Plan Holder. A Plan Holder may be denied medical evacuation transportation if they are unable to provide such documentation or are denied admission to their home hospital of choice.

You further authorize the Assistance Provider's Medical Evacuation Provider's medical personnel to perform procedures and provide treatment as they deem necessary, both prior to and during the course of your medical evacuation transportation. We do not provide or control the provision of medical services to Plan Holders. Our performance of our obligations under the Travel MedEvac's plan assistance services is ministerial in nature and shall not constitute any undertaking to render medical services, to assume or guarantee the result of medical services provided to Plan Holders, or to guarantee that the medical services performed by others will be rendered in accordance with generally accepted standards or procedures. The parties understand and agree that the rendering of medical services to a Plan Holder and the results thereof are solely within the control of the Medical Evacuation Provider's medical personnel. Travel MedEvac is not liable for any malpractice by the Medical Evacuation Providers, their contracted network of air ambulance companies, or other healthcare and assistance providers utilized, and the Plan Holder agrees to hold Travel MedEvac and its assigns harmless for said services.

ASSISTANCE SERVICES CONSTRAINTS

Medical evacuation transportation is subject to limitations on the operation of aircraft imposed by mechanical issues, weather, regulations and restrictions imposed by the United States Federal Aviation Administration or comparable aviation administration authority of any other jurisdiction in which a medical facility or Plan Holder may be located, and other conditions beyond the control of Travel MedEvac or the Assistance Provider and their Medical Evacuation Providers.

A Plan Holder weighing in excess of three hundred (300) pounds or having other physical characteristics may limit the ability to place a Plan Holder into an aircraft due to size limitations of a fixed wing air ambulance aircraft and may be prohibited from such transport.

The Assistance Provider and its Medical Evacuation Providers will manage the logistics of all air medical transports, including the possibility of using an alternate medical evacuation transportation provider that is part of their extensive worldwide network of accredited air ambulance companies should the need arise. Medical evacuation transportation from airports in some countries may be restricted or closed to private aircraft, including air ambulance aircraft, from dusk until dawn which may delay an aircraft from reaching a Plan Holder.

Aircraft and personnel cannot be sent into countries where the U.S. State Department or other governmental regulatory agency has issued travel restrictions, or to areas where civil aviation has been suspended or restricted, due to a natural disaster, civil unrest, an outbreak of illness/disease or any other cause. Various countries throughout the world may pose travel and/or medical restrictions, at any time, that prevent a transport. A Plan Holder diagnosed with or suspected of having tuberculosis or other chronic pathogens or infectious disease as defined and classified by the Centers for Disease Control and Prevention, the National Institutes of Health, or comparable administration authority may be prohibited from transport due to travel and other governmental restrictions.

The patient, and an accompanying passenger(s) if the medical condition and space allows, may be limited to one small carry-on bag each due to limited space available on the medical aircraft.

ADDITIONAL DISCLAIMER AND LIMITATIONS ON LIABILITY

The Plan Holder acknowledges that medical evacuation transportation is arranged through our Assistance Provider and its Medical Evacuation Providers and their extensive network of air ambulance companies, although the ground ambulance and aircraft is equipped with personnel and equipment to sustain and preserve the life of a patient while in transit, a Plan Holder's condition may deteriorate during the transport to the point of death or irreparable harm. The Plan Holder understands and assumes this risk, and therefore agrees that Travel MedEvac, our Assistance Provider and their Medical Evacuation Providers or other outside contractors, including their shareholders, officers, managers, employees, agents, affiliates, distributors, predecessors, successors, and assigns, shall not be responsible to any person, including but not limited to the Plan Holder or the Plan Holder's estate, survivors, agents, assigns, or representatives, for the Plan Holder's death or deterioration of the Plan Holder's condition.

Travel MedEvac and its underwriters, managers, employees, agents, affiliates, successors, and assigns shall not be liable for any harm or damages relating to or resulting from services provided by our Assistance Provider, their Medical Evacuation Providers or other outside contractors. Neither Travel MedEvac nor its underwriters, managers, employees, agents, affiliates, distributors, successors, or assigns shall be liable to any person for the death, disability, or injury of the Plan Holder or any other person accompanying the Plan Holder unless the injury is determined by a court to be solely caused by the gross negligence or willful misconduct of Travel MedEvac. We shall not be liable for delay or failure to perform under the Plan if such delay or failure is caused by the unavailability of a ground ambulance or aircraft, government restrictions, mechanical failure, acts of god, fire, flood, strike, labor dispute, riot, insurrection, war, or any other cause beyond the control of Travel MedEvac, our Assistance Provider and their extensive network of highly accredited worldwide Medical Evacuation Providers, or other outside contractors.

GENERAL PROVISIONS

The assistance provided is provided on an "as is" and "as available" basis. Travel MedEvac and its managers, employees, agents, affiliates, distributors, successors, and assigns expressly disclaim all warranties of any kind, whether express or implied. The Plan Holder, individually and on behalf of the Plan Holder's estate, and the Plan Holder's survivors, agents, assigns, and representatives, expressly understand and agree that Travel MedEvac and its Assistance Provider, Medical Evacuation Providers, managers, employees, agents, affiliates, distributors, successors, and assigns shall not be liable to the Plan Holder or the Plan Holder's estate, survivors, agents, representatives, or assigns, or the general public, for any direct, indirect, incidental, special, consequential, punitive, or exemplary damages relating to or arising out of the Plan or the services to be provided hereunder. The total liability of Travel MedEvac and its Assistance Provider, Medical Evacuation Providers, managers, employees, agents, affiliates, distributors, successors, and assigns relating to or arising out of the Plan or the services provided hereunder shall not exceed the amount equal to the plan fees paid to date during the current term of your Plan. Medical evacuation transportation made pursuant to the Plan is subject to rules and limitations of certain international treaties governing international air travel, including but not limited to the Warsaw convention and/or

the Montreal convention, which limit the liability of air carriers with respect to death or injury of passengers, for loss or destruction of baggage, or for delay.

The Plan's Assistance Services as defined constitute a summary of the agreement between Travel MedEvac and the Plan Holder. All legal actions brought against Travel MedEvac, its Assistance Provider and its Medical Evacuation Providers that arise under or relate to the assistance services provided or arranged by Travel MedEvac through its Assistance Provider and its Medical Evacuation Providers for you under your Plan shall be barred unless written notice thereof is received by us within six (6) months from the date of the services provided. This shall not be interpreted as affecting any rights you may have to bring an action under or related to the travel insurance policy included with this Plan.

Travel MedEvac, the Assistance Provider and its Medical Evacuation Providers, in its sole discretion, may monitor or electronically record communications between its employees or designated representatives and you in connection with your Plan. By enrolling as a Plan Holder, you specifically authorize communications involving you and to which you are a party to be recorded and utilized by us for quality control or other purposes.
